The Health Consumer Right-to-Know Act of 1998 which was signed by Governor Sunquist in May, 1998 requires hospitals to report to the Department of Health "health care plans accepted by the hospital" as well as a variety of information that is included in earlier schedules of the Joint Annual Report. In order to allow the Joint Annual Report to meet the entire reporting requirement described in this act, please list all health insurance plans with which you currently - as of the last day of this reporting period - have a valid contract. List each plan separately not just the name of the company. For example, if you have contracts to provide services to individuals enrolled in Blue Choice and Blue Preferred, list both plans and do not only list Blue Cross & Blue Shield of Tennessee.
